

Enjoying great music on the internet has never been this much fun

You can chill out on a sleek leather sofa, in a comfortable lounge area, or dance like you've never danced before and meet people from around the world - 24 hours a day.

Like something you hear, a couple clicks on your mouse and it's yours.

Jimmy's @Mirtoe puts it all together for you.

Now open in Second Life®, which is a 3-D virtual environment created by its residents, where you'll discover a vast digital world, filled with people, entertainment, experiences and opportunity. btw –Drinks are on the house.

Jimmy's @ Mirtoe is the latest in digital entertainment, social networking and music marketing innovations.

It's the sharpest music club around or is it the music store of the future?

Put it all together and you have Jimmy's @Mirtoe where soul, jazz and R&B lives.

Dance, meet and converse with other R&B, jazz, soul and stepping music lovers from around the world -- 24hours a day, while you listen to the best music on the net.

Revolving "Click to Purchase" cubes, conveniently placed within the club, combined with huge walls displaying CD covers of artists being played, all dynamically change as the music changes. Touch the cube and you're shopping for the artist's CDs, mp3s, even videos at Amazon.com®, without missing a beat on the dance floor.

Pay us a visit, in the 3-D virtual world of Second Life®. Since opening to the public in 2003, it has grown explosively and today is inhabited by "millions of Residents" from around the globe, who are building, enjoying, experiencing this 360 degree interactive, immersive media environment.
